Sub: Letter of Appreciation

Dear Sir,

For our TDS Returns, we have successfully implemented TDSMAN in 196 of our offices across Maharashtra since September 2014.

We place on record our appreciation to your team for such an easy and friendly software. We could successfully implement it even at remote places in Maharashtra. Further, your system for updating the software and providing help over phone when needed is commendable. You have actually proved that physical distance is not a concern anymore.

The system of PAN verification and Default prediction is very helpful to avoid errors and timely filing of TDS Returns.

We look forward to a long association with you and hope that you will maintain the standards that you have set.

Thanking You.

Yours faithfully,

For **MAHADISCOM**
